

Project brief

Goal

Make the next release easy to understand and easy to try.

Deliverables

- A working example
- Clear installation steps
- A reviewed document for sharing

Deliverable	Owner	Status
Example	Writing team	Ready
Instructions	Product team	In review
Shared document	Editor	Draft

Review checklist

- ☒ Check headings and links
- ☐ Review the exported document
- ☐ Keep the Markdown source

Next step

Share the reviewed output with the team. Keep this .md file for the next revision.
